PERSONAL AND LOCAL.

Chester Minn Military Band with Field's Minstrel April 7th.

Miss Cornelia Wehrs is expected home today from New York City.

Only a small house greeted the Schubert Symphony Club last night, and we are sorry for it, for those who staid away missed a very pretty performance. The Lady Quartette is a splendid one; the voices all being rich and smooth, and the singers all showed good style in the rendition of all the numbers. Tommie Purcell, a little lad of eight years, is a general all-round genius, and he bursts into music by means ranging from a whistle to a violin, and he excels in each.

W. E. Caskey, this city, received word yesterday that his brother, M. E. Caskey, had that day been killed in a mine explosion in Colorado.

Dr. Ward A. Holden, of New York City, came in yesterday, called here by the illness of his sister, Miss Elizabeth Holden.

We hope the milliners of the city are kept busy this week wrapping up the "perfectly lovely dreams" of hats. This is their harvest week, and we trust they'll all make a barrel of money.

J. H. Newlin, of Beverly, was in the city on business Wednesday.

The report circulated up the Muskingum to the effect that a man with smallpox had been taken up the river on the Lorena proves to be utterly without foundation, as is usually the case with sensational stories of this nature. The man's physician at Roxbury, where his relatives reside, pronounces his ailment to be an ordinary case of measles.

Reserved seats on sale at the Marietta Book Store Friday morning for Al. G. Field's mistsrels.

Mrs. George Machesney and daughter Bright arrived on the Keystone Tuesday night on a visit to relatives in this city.

Watch for the big parade Tuesday. A platoon of police, old Dan Emmett and the pony phaeton, four mounted knights, 40 marching men and Chester Minn Band—the finest band ever heard with any minstrel show.

Harper's Bazar.

The Numbers of HARPER'S BAZAR to be published in March will be distinguished by the variety of seasonable and beautiful toilettes for the spring. Tea-gowns, reception toilettes, and out-door costumes will be given, so that the woman who aspires to dressing in the latest fashion, with style and chic, need only consult the BAZAR to gain her end with ease.

The Easter Number, on March 28th, will present novelties appropriate to the reopening of the gay world for the summer campaign. There will be a striking story, entitled "Jim Purdy, Martyr," by Marion Harland; and articles by Grace King, Elizabeth C. Barney, and others will add to its interest.

Your Boy Won't Live a Month.

So Mr. Gilman Brown, of 34 Mill St., South Gardner, Mass., was told by the doctors. His son had Lung trouble, following Typhoid Malaria, and he spent three hundred and seventy-five dollars with doctors, who finally gave him up, saying: "Your boy won't live a month." He tried Dr. King's New Discovery and a few bottles restored him to health and enabled him to go to work a perfectly well man. He says he owes his present good health to the use of Dr. King's New Discovery, and knows it to be the best in the world for Lung trouble. Trial Bottles Free at W. H. Styer's Drug Store.

He was a very wealthy man, having got the beginning of his large accumulations from a farm he owned near Horseneck, W. Va., on which oil was discovered. Mr. Hendershot was a square upright man, of a strong character, against which naught could be said except that which is good.

PREMONITION OF DEATH.

Strange Fulfillment of Prediction of an Octogenarian.

Friday morning Michael Priebe informed his children that his death would occur on the following Monday night. He was a healthy man, although 66 years of age, and seemed to be then merely suffering from a slight indisposition. His children laughed at his fears, and as there was no perceptible change in his condition they were much surprised Monday evening when he bade them call in all his neighbors to bid him good-by. About 9 o'clock he rose from his bed and nervously paced the floor until midnight. He then lay down, saying he would die within three hours, and before 3 o'clock in the morning his pulse had ceased to beat.

The World's Fair Tests showed no baking powder so pure or so great in leavening power as the Royal.

Who wins in the race? Is it a sick man? Is it a man whose blood is impure? An athlete trains for every race. The best athletes train all the time. They are always in perfect condition. It is pretty safe to say that the best man will always win. The man who is strong and in the best condition will surely distance his competitors.

In the race for success, the best man will win if he takes care of himself. He cannot win if he neglects his physical condition. It doesn't make any difference how smart he is if his body isn't strong, he will never finish the race. He must look first for a clear, healthy, strong body, because the body makes and supports the brain. If the heart pumps impure blood into the brain, you cannot expect the man to be clear-headed, you cannot expect him to accomplish much. If a man's blood is pure and rich, there can not be much the matter with him. If it isn't pure and rich, he may have almost any disease under the sun, and Dr. Pierce's Golden Medical Discovery will cure it. It doesn't make any difference what form the disease takes, or by what name it is called. Nearly all diseases spring from impure blood. If you make the blood pure, you remove the cause and cure the disease. That's common sense—and medical sense—and scientific sense.

You might learn a thousand valuable lessons about preserving your health by reading Dr. Pierce's Common Sense Medical Adviser. It is a grand book and the present edition is absolutely free to all who send 21 one-cent stamps to cover cost of mailing only. It contains 1008 pages and over 300 engravings. 680,000 cloth-bound copies have been sold at \$1.50 each. This free edition is in strong manilla paper covers, otherwise it is just the same. Address World's Dispensary Medical Association, Buffalo, N. Y.
